## U.S.

You do not have any information or computer software that was received under an obligation of confidentiality or a need to exclude the use of the

software by foreign nationals.

## **U.S.**

Export Control Policies Formulating successful 21st-century export control policies will require a rethink of current policy implementation practices. While such arrangements typically result in higher economic productivity and efficiency, they also introduce vulnerabilities such as dependence on foreign sources for key supply chain inputs and, particularly with China, increased susceptibility to economic coercion. Conversion of UF<sub>6</sub> to UF<sub>4</sub> is performed by reduction with hydrogen.
