## A Voice For The Voiceless

Moreover, all the countries in the world who have joined the UN have signed the Universal Declaration on Human Rights, except Saudi Arabia. For example, also in the 1920s, Azeris brutally massacred and evicted Armenians from the town of Shushi. She counted 17 pilots among her friends killed during that period.

## News Features

BBC1 Morning News, 3 March 1992; there were plenty of such reports coming from British media sources.

## Baroness Cox asks question on Sharia Law and Marriages in the House of Lords on 23/10/2019

Cox: I think that in the UK much of our leadership is already more or less in dhimmi status, and nobody dares to speak out, for fear of intimidation, for fear of retribution, and because it's not politically correct. In the context of abuse scandals affecting vulnerable young people who are of majority age but who have experienced abuse within religious schools, religious courts and honour-related exploitation, we see again and again the

terrible pressure and damage which they have suffered, often for long periods of their lives. And this woman, completely distorting history the way she has, actually has a seat on the British Parliament.

### **Baroness Caroline Cox: September 2019**

Caroline Cox's secret expeditions to buy freedom for slaves captured by Arab traders in Sudan's war against black Africans. Was Our Lady in Heaving totally unaware of the Western press reports laying the blame entirely on the aggressor, Armenia? Indeed, she is overseas in troubled regions for six months of every year as chief executive of Humanitarian Aid Relief Trust Hart , the charity she founded in 2004.

### **Baroness Cox: A Voice for the Voiceless by Andrew Boyd**

A systematic campaign, backed by Soviet-made missiles and air defenses, sought to rid the region of the Christian Armenians, a tiny minority long persecuted by Turks in the east and now at the mercy of 7 million Azerbaijanis to the west. Written by the co-editors of this website, Share the Inheritance is beautifully illustrated with 125 colour images and a timeline.
