Tags: #Harvard #dictionary #of #music. #(1972 #edition)

Harvard Dictionary Of Music by Willi Apel

Complex topics are discussed in great detail spanning many pages when necessary, while straightforward topics receive an appropriately succinct treatment. An extensive list of the most important music libraries and collections throughout the world with summaries of their significant musical holdings is a valuable part of the dictionary.

The Harvard dictionary of music : Free Download, Borrow, and Streaming : Internet Archive

The already comprehensive list of accurate definitions has grown measurably and it now even includes nothus, pyiba, and merengue.

Harvard Dictionary Of Music by Willi Apel

It is great teaching and learning material. For the fourth edition, also edited by Randel, the book reverted to the earlier title with the article added, The Harvard Dictionary of Music. An extensive list of the most important music libraries and collections throughout the world with summaries of their significant musical holdings is a valuable part of the dictionary.

Harvard Dictionary of Music

The bibliography following each article, a unique feature of the first edition, has been updated and expanded. More than 220 drawings and 250 musical examples enhance the text. Totally satisfied with this purchase!! Don't forget to share our blog post on your social profile.
