Japan and Aura

The establishment of fairly large, permanent Hindu communities around temples in North America is already leading to what has been called the Hinduization of America,³ the incorporation of the landscape, mountains, and rivers of North America into Hindu sacred spaces and localities. The sublimation of duality dvaita in non-duality advaita is knowledge of enlightenment jñyāna , and knowledge is liberation mokṣa. It is of the nature of God, because it has developed through God himself.

A Survey of Hinduism, Third Edition

Four schools of Śaivism, the Pāśupata, the Śaiva, the Pratyabhijñā, and the Raseśvara systems, cancel each other out successively. I became crazy for the world, daughter of the Himalaya...12 SSS 2023 Vikram Era:38, emphasis added, my translation. With sects such as the Daśanānī or Rānānandī a more symbiotic relationship with the larger society prevails, and often there also exists a whole hierarchy of monks within the monastery.
