## Watch The War

American Involvement in Wars From Colonial Times to the Present. The , one of the bloodiest engagements during the Civil War, resulted in about 7,000 deaths and 51,000 total casualties. The Union won the American Civil War.

## war

The situation changed fundamentally with the outbreak of the , which increased the size of forces from small professional to large conscript armies and broadened the objectives of war to the ideals of the revolution, ideals that appealed to the masses who were subject to conscription. By the mid-1960s, Syrian-backed Palestinian guerillas had begun staging attacks across the Israeli border, provoking reprisal raids from the Israel Defense Forces. The call to battle has begun in these war games.

## Six

This follows from the previously shown facts that the number of war victims declined while the number of conflicts increased.

## War

Yet, to Southerners, as late as 1860, this appeared to be a sound business decision. War It ain't nothin' but a heartbreaker!
