Lonely Vigil

He even made a three-day hike through the Guadalcanal jungle to inspect the coastwatcher hideout on Gold Ridge so he could successfully put readers in their shoes.

Listen to Lonely Vigil Audiobook by Walter Lord

In fact, Benjamin Nash, a former Colorado rancher, was American. Like is says on the title, this is about the Coastwatchers in the Solomon Islands. Having read some fiction about the South Pacific, I decided to switch up to some history.

Lonely Vigil

I often switched to Google Maps to get a sense of the geography that is critical to understanding these stories. Walter Lord, ein Historiker mit einem brillanten Erzählstil, berichtet in diesem Buch ausführlich über dieses im deutschen Sprachraum eher unbekannte Kapitel des 2.

Coastwatchers

This one, and a number of other works, have led me deeper into the Southwest Pacific Theater in WW2. One of the things that I appreciated about Lonely Vigil is that Lord provides the perspective of the indigenous islanders of the Solomons. It was after 8:00 when the ship gave a farewell blast on her whistle, cast off, and headed southwest for Australia.

Listen to Lonely Vigil Audiobook by Walter Lord

This book focuses on the coastwatching operations in the Solomons, where the main issue of the fight for superiority in the islands was played out.
