Gilliland now owns some 4,000 a along the Boquet R.

**Encyclopedia of Drugs, Alcohol, and Addictive Behavior**

Proponents of marijuana prohibition had to abandon their claims linking the drug to violence. Possible steps include offering numerous activities that do not involve alcohol, as well as developing strategies and rules that shed romanticized views of alcohol abuse. Having adopted this plan I could not hesitate for a moment as to the system which ought to be used; for the artificial classification of Linnaeus having accomplished the objective for which it was designed, may be 92 considered as more than useless in the present advanced state of Botany.
