epitome

But first I took up Ayesha's kirtle and the gauzy scarf with which she had been wont to hide her dazzling loveliness from the eyes of men, and, averting my head so that I might not look upon it, covered up that dreadful relic of the glorious dead, that shocking epitome of human beauty and human life.

Epitome

The immersive light installation, known as a Skyspace, takes the form of a 6-metre by 6-metre cubic building with a large ceiling aperture, open to the Peloponnese sky above Amanzoe.

Experience

Some are of the same type as the ancient epitome, such as various epitomes of the of , originally written as an introductory textbook in theology and now accessible to very few except for the learned in and , such as A Summa of the Summa and A Shorter Summa. As with all secondary historical sources, a different not present in the original may creep in. A search for traces of the still active craft workshops in Greece.

Epitome

Amanzoe is honoured to announce Sky Plain, a unique art installation by one of the most influential artists of the last half century, James Turrell.

Epitome

. It is not only one of the most famous touristic attractions in Athens, it is above all a living memorial for Greece. Documents surviving in epitome differ from those surviving only as fragments quoted in later works and those used as unacknowledged sources by later scholars, as they can stand as discrete documents but refracted through the views of another author.

epitome
