Macbeth, King Lear Contemporary History: Being a Study of the Relations of the Play of Macbeth to the Personal History of James I, the Darnley Murder ... Lear as Symbolic Mythology (Classic Reprint) : Winstanley, Lilian: Amazon.sg: Books

Ao término do trabalho, espero validar a tese de que a organização estética propositalmente instável de Rei Lear apresenta uma relação com a luta de classes na Inglaterra dos primórdios da era moderna.

Macbeth, King Lear & Contemporary History: Being A Study Of The Relations Of The Play Of Macbeth To The Personal History Of James I, The Darnley Murder, And The St Bartholomew Massacre, And Also Of King Lear As Symbolic Mythology by Lilian Winstanley

It is true that Marxism is transdisciplinary from its birth, but there still is the need to establish a relation between such different instances in order to have the possibility of adapting the discoveries concerning one branch to the other one. This is a problem for the literary critic who tries to understand the aesthetic composition of a specific work by situating it historically: engaging in such a task requires much more than assembling empirical data from the times the fictional work came into being;³⁴ it demands from the critic that he somehow relates the aesthetic organization provided by the author of the fictional work to the conflicts of the society this author lived in. Facts are effectively presented in a sequential order, but it seems there is a lack of some element which could bind them together.

PAULO JOSÉ HAUSER BRODY, KING LEAR: DRAMATIC LITERATURE AS A TIME MACHINE

This does not mean a situation of equality — remnants of the ancient patriarchal society are strong: women are paid lower wages, and are still submitted to social and familial situations of submission men do not have to go through. For this reason, too, even the best attempts at exposition of King Lear are disappointing; they remind us of attempts to reduce to prose the impalpable spirit of *The Tempest*. Hunter mentions two other

sources in his 1972 New Penguin edition of the play, and these are the Homily Against Disobedience and Wilful Rebellion as well as the Gospel of St.

The big difference is that they were involved right from the beginning with what they were doing, they wished to achieve certain objective results as well, and they were ready to face the difficulties and frustrations inherent to their tasks. While Cartwright tries to somehow establish a coherence out of this, this passage recalled the effect that so many passages in King Lear had on me, where I had contradictory impressions about the characters and situations. In the 1910s and 1920s there was a specific literary theory which dealt with the manner that art or, more⁸¹ specifically, literature offered a different perception of reality.
