## Mixed Economy

Definition of Mixed Economy 2. Another major issue present in a mixed economy is too much government protections like tax breaks or subsidies - or, perhaps most controversial of all, bailouts.

## Changing Role of Public Sector: Changes in Government Policies, Q&As

Since the government was not able to sustain such sick units they had to be shut down. Responsibility for strategically coordinating or commissioning care still rests predominantly with public sector bodies, but increasingly it is nonpublic bodies that actually deliver services in the field.

## Mixed Economy

In fact, discouraging concentration of economic power and preventing the growth of monopolies and big business have been the declared objectives of the Government throughout the plan period.

## What Are Some Common Features of a Mixed Economic System?

Berend, in , 2001 3 The Welfare State, Mixed Economy and Back to Globalized Laissez-Faire The socialist challenge of capitalism required an effective response.
