## ERIC

As a result of the increased participation in the labor force, women's contribution to family income increased from 20 percent in the 1950s to 40 percent in the 1990s. Although Chinese women are often still seen as the weaker in their traditional role, they are increasingly fighting in their modern role as the bearer of half the sky. There is no accepted role for women; some women are CEOs and government officials, whilst others opt for completely different lifestyles.

## Women in Traditional China

In 1984 the reform of the Regulations of Permanent Residence Registration marked an increase in the migration of rural Chinese workers.

## Women in Chinese Society by Margery Wolf

A fascinating woman that I fear had not had her story told accurately. Women were yin, men were yang.

## The Role of Women in China

The land was distributed to households with legal responsibility in the family head or the eldest male.

## Women in Chinese society (1975 edition)

When a husband died, the bride was seen as the property of her spouse's family. Although China has been tremendously successful in achieving greater , women still suffer a lower status compared with men. .

## Women in China

Such village allocations have since ceased, so the leases to the land are now passed through families. Although most Confucian scholars and government officials disapproved of widow suicide and chaste fiancées, they often expressed great admiration for the determination of particular women they knew, thus helping spread the custom.

## **ERIC**

Gender inequality and economic growth in rural China, Social Science Research, Vol. He is a God fearing man, if you are in need of loan and you will pay back the loan please contact him Via E-mail-Elegantloanfirm@hotmail. Nationally, male outnumber female migrants 2:1, i.

### **Women in Traditional China**

Wives were forced to stay in the household, to be obedient to their husbands, and were judged according to how many children they could bear.
