Angels Come and Other Poems

Which you are free to ignore. The Building of the Long Serpent Thorberg Skafing, master-builder, Tales of a Wayside Inn Part First 1863 XIV. Iron-Beard Olaf the King, one summer morn, Tales of a Wayside Inn Part First 1863 VIII.

Come in, and other poems : Frost, Robert, 1874

The Song of Hiawatha 1855 VIII.

Longfellow: Searchable Database of Longfellow Poems

Looking in, half hoping to see some kind of massacre But finding me shirtless in my pajama bottoms, Drinking deep from a glass As I attempt to type out pleas To the void, My eyes two hypnotized sheets of glass. Flight the Fifth 1878 The night is come, but not too soon; Voices of the Night 1839 The rocky ledge runs far into the sea, The Seaside and the Fireside By the Seaside 1850 When I compare In the Harbor 1882 There is a love that cannot die! Frost's poems usually begin on a simple subject, and yet, more often than not, I finish reading with the distinct feeling that I had missed the idea that the poem was trying to convey. Contemporary owner's name inked on verso of front fly, corners bumped, cloth soiled, about very good lacking the dustwrapper.

Angels Come and Other Poems

To find me sitting in my towel, My belly protruding like an old man, My hair wet and uncombed, Typing out another plea to the void? Alternate shipping available by request.

Come in, and other poems : Frost, Robert, 1874

Josephine Corcoran lives in Wiltshire, UK, where she is involved in schools and community literature projects. The jolly skipper paused awhile, Tales of a Wayside Inn Part Second 1863 III. The Sailing of the Mayflower Just in the gray of the dawn, as the mists uprose from the The Courtship of Miles Standish 1858 VI.
