In the majority of cases, its a matter of replacing broken or worn out parts. They give you a valuation, explain their listing process, if you accept, they do all the cleaning, testing, marketing, and completing the transaction transfer paperwork.

**Gunsmith on Garden Street Pensacola, Florida. Gunsmithing, firearm maintenance and repair**

The folks at LSB are terrific.

By the way, do NOT go to a general gun store, we had one store in west LA offer one fifth of what we received from LSB. We had several fire arms from an estate. This book, written in plain, understandable English my favorite language is a hit and has a prominent place in my library of Guns and other self defense type books.

See where you're hitting the targets at distance with ease as our reactive splatter is highly visible and great for those who want more for their money. Gunsmithing At Home is the do-it-yourself reference guide and how-to book for anyone interested in the art and craft of gunsmithing. If you live in Southern California, particularly the Los Angeles area consider yourself REALLY lucky to have these folks near you.

**Home Page**

Customer satisfaction is their primary goal. I find it chock full of great tips and direction. They are great at buying and selling guns and accessories but they are also very knowledgeable about all things guns.
