India's human rights obligation

The Foreign Contribution Regulation Act FCRA , prohibits the receipt of foreign funds for any activities prejudicial to the public interest.

‘India misleading world on human rights violations in IIOJK’

The Indian government acknowledges 4008 persons had been missing. In July, police in Ahmedabad city raided an area, home to 20,000 members of the vulnerable and marginalized Chhara tribe, a denotified tribe. They have been demanding repeal of three controversial farm laws at different borders of New Delhi since November 26 last.

Domestic Implementation of Human Rights

This shows up the valuable works of NHRC in India. India has signed but not yet ratified the UN Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment CAT to validate torture under POTA. Many students and activist stormed on the streets and protested for reform in higher education.

Human Rights Violations: India and Global Scale

In 2018, the Supreme Court awarded Nambi Narayanan, former Indian Space Research Organisation ISRO scientist Rs 5 million.

INTRODUCTION: In India, human rights have always been a widespread issue. Some people with psychosocial disabilities are even —chained or locked up in small confined spaces—due to stigma associated with mental health conditions and lack of appropriate community-based support services.

Human rights in India : implementation and violations / G.S. Bajwa

The right to privacy is stipulated in the Covenant on Civil and political Rights under Art. But Supreme Court nowadays recognized a number of separate and independent fundamental rights as being either part of the existing fundamental rights or rights emanating from them.
