Ḥumayd b. Thawr — Brill

Let us assume that he briefly observed some signs of knowledge and culture and encountered some men of knowledge en route. The very fact of their passionate discussion of the concept attests to its fundamental importance for Islam.

This can be known from his habitual life and daily manners especially with long companionship and experiencing interaction with the individual in question. Often, depending on the material under consideration, we find ourselves circling back to familiar figures, places, and themes. Living in tower hermitages, they were overt symbols of the ascetic culture of the region.

De la théorie à l'usage

Do you think that because you have entered one of our cities or villages, or breached one of our fortresses, that you have defeated us as a whole or that you have seen the last of our resistance to you? Les numéros de l'édition ont été conservés bien que ne comportant pas tous des vers, ce qui explique les trous de l'inventaire ci-dessous. How limited were the means of interaction among nations and countries! De tels enjambements se produisent dans plus de la moitié 53,18 % des vers analysés.
