Manage Forests and Land

For a full range of sponsorship, exhibition and branding options, please contact our Sponsorship Manager, Gordon Thomson on +64 7 921 1384 or. US Department of Agriculture, Washington DC 46 pp. It is critical when deciding between different genetic choices that the checklots in NCSU PRS data are from the same geographic location or provenance.

Our Seedlings

Placing an order early gives you the best chance at reserving your preferred species. These cooperatives provide Figure 1: Shortleaf pine containerized seedlings.

Proceedings of the Southern Containerized Forest Tree Seedling Conference

We ask these customers to please select pick-up from Cañon City or La Veta.

Containerized Seedlings — The Shortleaf Pine Initiative

We study weather patterns, drought cycles and the status of vegetation across the state to predict when and where dangerous fire conditions may occur. The Southern Forest Tree Improvement Conference organized by SFTIC has met biannually for 56 years to exchange information and to discuss future needs.
