Wildflower gallery

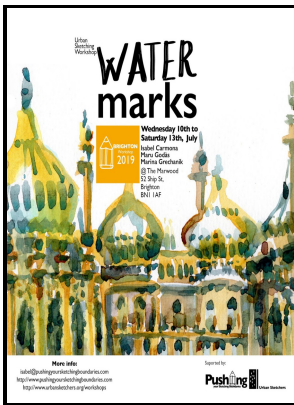

May be very minimal identifying marks on the inside cover. Wild basil Clinopodium vulgare perennial A surprisingly tough herb, able to compete with vigorous plants in open grasslands, scrub, woodland edges, hedgerows and other places, usually on dry, chalky soil. Its foliage can be deadly poisonous, but in controlled doses, can be used medicinally.

History of Leicester, MA: Where The Wild Strawberries Grow, Photos. PB

Very Good: A book that does not look new and has been read but is in excellent condition.

9780965404709

These seeds then grow into new plants the following year. Ergodebooks Ships from USA via United States Softcover, ISBN 9780965404709 Publisher: D. Nettle-

Where the wild strawberries grow: A pictorial histor... (0965404706) by Pitzen, Dale; Kennedy...

The violet-blue flowers look like a
 pincushion and provide a good source of
 nectar, particularly to the marsh fritillary
 butterfly.
