## 楽天ブックス: Arming Japan: Defense Production, Alliance Politics, and the Postwar Search for Autonomy

To explain this puzzle, many scholars have put forth arguments focusing on Japanese domestic institutions and anti-militarist ideas. The aim is to determine where an Abe Doctrine fits within the longer-term development of Japanese security policymaking and whether it is characterized primarily by continuity or change.

Dr David Envall

## Sibling Rivalry? Domestic Politics and the US

Maintaining credibility is important in an alliance bargaining context because it is a way for such states to signal their commitment to an alliance and so guard against abandonment. He is interested in how Japanese political actors have been searching for new policies to address a more challenging Asia-Pacific security environment and is currently pursuing several projects focusing on Japan and its engagement with the region.

## The Nixon Doctrine and Nakasone Yasuhiro's Unsuccessful Challenge to Japan's Defense Policy, 1969

US officials repeatedly assured their Japanese counterparts both publicly and privately that the policy was a way of ensuring that America retained a stake in Asia by heading off domestic isolationist sentiment. It poses starkly a fundamental dilemma that Japan has had to confront throughout the postwar period-how 'independent' can it be in its defence and security policies? He is also Chairman of the Japan-U. The American Academy of Political and Social Science The Allure of Autonomy: Defense Production and Alliance, Defense Production and the Economy 2.

## **Arming Japan: Defense Production, Alliance Politics, and the Post War Search for Autonomy by Michael J. Green**

He served as special assistant to the president for national security affairs and senior director for Asian affairs at the National Security Council NSC from January 2004 to December 2005. David has a BA Hons from the University of Melbourne, an MA from Hitotsubashi University, and a PhD from the University of Melbourne. In: Satō, America and the Cold War.

### **Anarchic threats and hegemonic assurances: Japan's security production in the postwar era**

From 1995 to 1997, he was a research staff member at the Institute for Defense Analyses, and from 1994 to 1995, he was an assistant professor of Asian studies at the Johns Hopkins University School of Advanced International Studies SAIS , where he remained a professorial lecturer until 2001. From the outset, the Journal has published broad, exploratory articles suggesting new analyses and interpretations, articles longer than many journals can publish, and substantial reviews and review articles of books published in Western languages and in Japanese.

### **The Nixon Doctrine and Japan's Defence Policy, 1969**

Canadian Journal of Political Science Reflects Green's expertise in Japanese politics, an understanding of the bureaucratic culture, and great skill at unraveling the nuances of the difficult and subtle Japanese language. . It is, as one expects from Columbia, very well produced.
