Read. Write. Reflect. : Excerpt : Women Writers, Women's Books

De fide , Ambrose makes a lucid, scripturally saturated articulation of the Christian faith couched in Nicene orthodoxy. These magazines were the most pitiful burlesque stuff that you could imagine, and I took far less trouble with them than I now would with the cheapest journalism.

Read, Reflect & Write

I divided them up into three general categories, and only included titles that were published in 2020.
