Global Merger and Acquisition deals touch \$1 trillion mark: Dealogic

As we explain, cross-border investment, trade, bank loans and supply chains have all been shrinking or stagnating relative to world GDP. These forward-looking statements are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information.

Business & Financial News, U.S & International Breaking News

Investors are also keeping an eye on the rapidly deteriorating relationship between Washington and Beijing. HEDRICK SMITH: But that was against the law, so Weill privately lobbied Greenspan, Treasury Secretary Robert Rubin and President Clinton.

Mish Talk

Though many analysts and even the most experienced traders were ready to leave it for dead just a year ago, the Chinese Tesla rival shocked markets, blowing away Wall Street estimates, and most importantly, keeping its balance sheet in line. It has recently picked up steam with Dallas, Austin, Houston, and San Antonio leading the way. SEAN COFFEY: But we're not talking about a few pencils missing from the stockroom.

Facebook

SCOTT CLELAND, Telecom Analyst: Bernie Ebbers was a roll-up artist. LIVESTREAMING AND E-COMMERCE TWO NEW GROWTH DRIVERS As a multibillion dollar opportunity where mostly Alibaba, through Taobao Live, is reaping the benefits, livestreaming is a growth opportunity for Tencent - especially as its closed-circle WeChat provides an alternative to the prevalent Taobao Live and Tiktok models. Trade is suffering as firms use up the inventories they had stocked in anticipation of higher tariffs.

Facebook

Again, both sides will suffer on this.

Banks parked Rs 2 trillion excess cash amid RBI signalling

ANNOUNCER: Correspondent Hedrick Smith goes inside Wall Street, investigating the scam-- ELIOT SPITZER: It was brazen. We encourage you to use comments to engage with users, share your perspective and ask questions of authors and each other.
