## PARTICIPATING IN THE INFORMAL SECTOR

The rest can follow incrementally.

### Singapore: The Best Stopover City In Southeast Asia...

Many stallholders who could not meet the health standards closed their shops. Strategies are then formulated into five groups according to the type of commodity: non-food, raw-food, consumed-at-place fast food, take-away fast food, and services.

### Anon Chaimanee

For a short break, the Crowne Plaza Changi offers basically the equivalent of a nice five star hotel, with outdoor pool and all, but all within an airport terminal.

### The Space Utilization by Street Vendors Based on the Location Characteristics in the Education Area of Tembalang, Semarang

In some cases, formal market buildings were constructed to accommodate them. Three video footages of craftsmen, two audio clips of interviews and a selection of folk songs were also included in the display.

### Street Hawkers of Singapore's Past

Fruits and vegetables from the sabzi mandi were not collected for retailing in the hawkers markets. Rian Thai, International Journal of Thai Studies, 2 2009 , 71—93.

### Singapore: The Best Stopover City In Southeast Asia...

It is a unique activity since it allows operation at any level of the economic continuum without fixing any lower limit for investments.
