Books

From that, it seems that surviving those bumps and bruises brought the most fulfillment in the end.

Folger Theatre's 'The Gaming Table': Set for 18th

At this time in history, when the United States remains the only developed country in the world to cut up 50% of its baby boys at birth, we must ask WHY? Tellingly, the most effective scene is a highly serious one... Although Peter DuBois' staging and the cast can't be faulted, the lengthy play wears out its welcome long before its conclusion.

Measure for Measure 1978

The comedy stoops to a new low when we enter the secret sex society's cavernous haunt where everyone dons gold phalluses and Dame Stickle loses her puritan virtue. Time asked respondents about it from a reflective stance, whereas Princeton integrated experience sampling.

Measure for Measure 1978

About 2 hours 15 minutes. The gimmicky opening actually makes for an apt Prologue to get the audience into a have fun, anything goes frame of mind. The result is ample measures of laughter in an entertaining comic adventure.

Satisfaction Guaranteed: Sexual Activity After Prostate Cancer Therapy

Regardless of how careful and nerve-sparing the surgery is, and despite the precision of the radiation dose, the likelihood of some damage either from the procedure or subsequent scarring is high.
