Orr 1848 , 231 Nasmyth v. While it is the case that from and after the date of the opening entry the volume is complete, it is not clear that some portion earlier in date may not be lost Too much importance must not be attached to the scribbling, which is so plentifully found on the fly leaves or title pages of these volumes ; but some is found in this case which is clearly of an official character.

What Is Judicial Activism? Definition and Examples

A tenant in tail owes two debts to the same creditor; one of his own contracting, and one as representing the entailor. But the covenant now mentioned is in its very conception oppressive; and the creditor may justly be deprived of the extraordinary benefit he draws from it, when he is, in all events, secure of the legal interest. John Meldrum in Talliet Patrick Leslie of Flendir.
