Introducing Bernard Lonergan's Philosophical Proof for God : Strange Notions

He felt that deep knowledge of the old, of the best traditions of Catholic thought, was increasingly hard to come by. It can take generations if not centuries for all the implications of cultural failure inexorably to work themselves out. .

Engaging the Thought of Bernard Lonergan

This is the challenge of philosophy of education. Self-criticism alerts us to possible totalitarian ambitions.

9780232512120

It sometimes seems as though theology departments of today are mainly inhabited by people so focused on their subdisciplines that they have no idea that they should be collaborating with their colleagues in a larger unified project called theology. On the one hand, there is something very traditional about theology, because the theologian is drawing upon and interpreting a tradition that exists prior to oneself.

Bernard Lonergan drew a map of theology for a new era

This process of renewal received a powerful impetus from the Second Vatican Ecumenical Council 1962-65. In his student days he wrote several lengthy unpublished sketches of the sort of thing that would be needed. But all reality is completely intelligible.

Introducing the Thought of Bernard Lonergan: Three Papers from by Bernard J.F. Lonergan

For Lonergan, conversion is not a mindless surrendering of one's rational faculties to the dogmatic pronouncements of some organization, whether religious, political or financial. Moreover, in the writings of several authors, the emphasis on interpersonal relationships has been tied to what they consider to be the true nature of religion.

Table of Contents: Engaging the thought of Bernard Lonergan /

God and philosophy -- Lonergan and the problems of contemporary philosophy. GEM roots the meaning of authority in the normative functions of consciousness and defines the expression of authority in terms of legitimate power.

Learning

The book includes several essays previously published elsewhere, but these have been thoroughly revised and expanded to meet the needs of a wider audience, particularly those unfamiliar with Lonergan. It means thinking of any moral option as essentially a choice between preventing and allowing the exercise of a pure desire for the better. The effort of dialectic is to invite all dialog partners to do the same.
