## Building capability: A framework for managing learning and development in the APS

And a creative approach to achieving an outcome. Our Marketplace event invites members of the Scottish Government networks to the Induction to meet with new starts.

## Accreditations

This involved DS staff, including one of our Modern Apprentices, visiting a local school and delivering a session to pupils to raise awareness of the breadth of careers available within the public sector.

## Building capability: A framework for managing learning and development in the APS

A case study of a public sector learning organisation from the chief executive's perspective.

## SAQA

It is quite likely that strategies would be adjusted in an evolutionary way - but, ideally, as the result of an evaluation. It is also important that evaluation is programmed in from the start. As the agency develops its policies, we consider the impact that it will have on people.

## Ofsted

To what extent do participants believe the objectives of the intervention were achieved? You may not be interested in that level of longevity, but locality development is an ongoing process.

## Accreditations

I feel again there is a value to extending the opportunities to train as inspectors to middle leadership in schools. By working together, with each other and with our communities, we can take pride in improving lives. We also have an Engagement and Relationships Strategy to build engagement with equalities groups.
