Dicey on Writing the Law of the Constitution

A TREATISE ON THE LAW RELATING TO INFANTS. A few years afterwards an enlightened young humanist, of high rank and marked ability, a man who might live to be pope of Rome or might live to be king of England, was saying much evil of the sort of law that Rede had administered and taught; was saying that a wise prince would banish this barbaric stuff and receive in its stead the civil law of the Romans.

News

This was a book I dropped off for brother Chris Quigley, an English Mason who was visiting Indianapolis last month for the week of York Rite festivities.

A lecture being the second of a series of lectures : introductory to a course of lectures now delivering in the University of Maryland

Neither the source nor the nature of International Law can be said to have been unknown to the Greeks.

John Stuart Mill

The hard and unrelenting grasp of the creditor cannot shake his tenure.
