On the other hand, increasing admiration for e-cigarettes is expected to obstruct the development of the market. Business facilities as well as institutional households like university dormitories or retire homes are not counted as households.

## **(PDF) The 2007**

Coming out of a moderately improved volume and value performance in 2019, the industry is likely to suffer disruption in 2020 with high single-digit volume declines expected and intensifying commoditisation up to 2024.

## **Cigarette & Tobacco Products Wholesaling in the US**

In constant terms, revenue remains challenging for the industry to deliver - particularly in the context of the disposable income pressures that will follow the COVID-19 pandemic. This advertising violates Section 5 2 of COTPA and Notification GSR 345 E which established strict rules for any display boards used at entrances of shops where tobacco is sold, report said.
