The Total World of Work The net result of these considerations was that man became a product of his own sciences. The word for business was taken from the word , otium, the Latin translation of skole. Our minds can know it, but they do not make it.

## Leisure and Happiness

The pervasiveness of the trend towards intensification of work, reducing time and energy for other activities, and the gendered impact of this trend are evident in both studies. The confusion is usually the result of a failure to see the origins of words and ideas. Leisure as Activity Leisure can also be viewed as activities that people engage in during their free time—activities that are not work oriented or that do not involve life maintenance tasks such as housecleaning or sleeping.
