Was There Only One Original of Each New Testament Manuscript? The New Testament Papyri Facsimile Collection: P45, P46 and P47 brings three of the oldest manuscripts of the Bible to a modern audience. The authority of Mark was claimed in support of the view that Jesus was first and foremost a great human ethical teacher, whose teaching had been altered by the early Church, and especially by Paul, into a system of theological and sacramental belief. Adding Manuscript Images to Presentations or Documents 5.

Center for the Study of New Testament Manuscripts

This fallibility becomes evident as soon as we undertake the necessary preliminary examination of the text of the New Testament and of the way in which the books of the New Testament were gathered into one authoritative collection. Boyce Centennial Library, The Southern Baptist Theological Seminary, Louisville, Kentucky. A number of the manuscripts from Qumran are anywhere from 100-300 years old.

Chapter 1: The Critical Study of the New Testament

The life of a manuscript was not 10-20 years as previously thought, but could last 150-500 years.

PRODUCTS

I did not offer the Codex to anybody else; you are the first whom I informed about this chance.
