We have the largest selection of artisanal wines anywhere, with thousands of every-day values, rare and hard-to-find gems, natural and organic wines, and small batch spirits.

### Fine Wine & Good Spirits: Find a Store

Non-subscribers can read and sort comments but will not be able to engage with them in any way. Mouth Credit: Mouth Mouth connects people with artisan drink companies, delivering small-batch mixers for cocktail fans. With custom colored hand engraving, gift wrap options, and custom greeting cards its no wonder more companies choose us over the competition.

### Khoury's Fine Wine & Spirits

This is a space where subscribers can engage with each other and Globe staff. The mix of ripe dark fruit, savoury and floral flavours are easy to appreciate, while the bright character makes it work with almost anything at the dinner table.

### Nine full

In addition to our full retail selection of specialty wines, craft beers, and small batch spirits, we also offer a variety of wines by the glass and 20 rotating beers on tap for you to enjoy while you shop or sit. Flatiron Wines is for the curious.

Khoury's Fine Wine is open again! Served chilled, this lighter-bodied fortified wine is bracingly dry, with salty and tangy flavours that make it a terrific aperitif or partner for seafood, serrano ham or spicy chorizo. There are some full-bodied reds to consider as well, including sturdy and

surprising touriga nacional made in the Okanagan by Moon Curser. Come by and visit our shops in New York or San Francisco, if you happen to be in town.

### **Flatiron Wines & Spirits**

This aromatic red is made from single plot of touriga nacional grown in Osoyoos, which happened to be the last grapes picked in 2018. This affordable cocktail club lets you experiment with different types of cocktails each month. Concentrated sauvignon blanc flavour shines through in the form of baked apricot, citrus oil and grassy notes, with a lingering refreshing finish.
