### **The Matarese Circle (Matarese #1) by Robert Ludlum**

A book so exciting, written over thirty years ago, in the midst of a cold war which supposedly no longer exists, isn't suppose to be this much fun.

the

To me she easily outshines Marie St Jacques from the Bourne novels. Okay, this was an emotional book and a tad bit sentimental. Was it one of those weird, kinky New York murders, or was it something else? Those actions will provide the excuse for Matarese conspirators in the American and Soviet governments to kill off Scofield and Taleniev like they have framed and killed off other high-powered intelligence players who are not part of their conspiracy.

### **THE MATARESE CIRCLE (1979): BOOK REVIEW**

Though the villainous Shepherd Boy was supposedly based on Juan March Ordinas, he may well put modern readers in mind of George Soros. What it lacks in literary aspirations it more than makes up for in sheer excitement and fun. So many Eastern Europeans began seeking asylum in the Western World that the Soviets realized they had to take steps to cut off the flow of escapees.

the

He slammed the door shut and stood in the corridor, his automatic raised. His old, OLD mentor in the Intelligence Field from when he started tells Vasili that he has learned that the legendary Matarese organization is real and not the stuff of conspiracy theories as so many had come to believe.
