RiverMaps Hell's Canyon & Lower Salmon Guide Book

At lunchtime, we'll stop and have a quick orientation on how to lessen our impact on nature and on the river while the crew prepares lunch. ROW takes pride in historical interpretation and takes advantage of as many side excursions as possible. If you're on your way to Glacier National Park this is a great stopping point for a day.

Lower Salmon River Rafting Trip in Idaho

After this you will choose between paddle or oar driven rafts and inflatable kayaks, and we all hop aboard. That hope lies in us, the people who call this amazing place our home — to unite above our differences and let common ground bring us together.

Salmon River Canyons Raft Trip

We'll clean up, pack the gear and set out for today's adventure at 9:30am.

Lower Salmon River Map

All this makes the Lower Salmon River Family Magic trip the perfect family rafting trip for younger families. Departure Your car will be waiting if you made the drive to Lewiston. Day-to-day use in the sun while on the river has never been a problem that we've seen.
