

However, the largest part of this increase is still some decades off, and even when it comes it will not be of 'crisis' magnitude.

## **2018 Ageing Report: Policy challenges for ageing societies**

As our communities grow, all vulnerable populations should be a priority for our healthcare system. Second, marked pressure will be placed on programs sensitive to demographics such as health care and income support programs for seniors such as Old Age Security OAS.

### **Aging in Canada: State of the Art and Science**

Depiction of where the majority of senior programs can be found throughout the province of British Columbia. RPP provides education, recreation, and creative arts programs to provide an outlet for creativity, enhancing meaning in life and a sense of purpose Raising the Profile Project, 2018.
