Papanicolaou during the First World War.

Populist politics and vaccine hesitancy in Western Europe: an analysis of national

Diasporas by Country Austrian scientists and scholars in the USA, Canada and Mexico ASCINA We are the independent network of Austrian scientists and scholars in the USA, Canada and Mexico.

ARWU World University Rankings 2020

Food supply, underlying health, and health care interact in important ways, and their combined effect is synergistic. Understanding how to access and use scientific expertise and facts in international negotiations will also be key.

Richard J. T. Klein

The next step is to work toward better preparing the next generation of scientists, diplomats, and boundary-spanning professionals for global challenges requiring multidisciplinary collaboration.
