China is rehearsing for when it overtakes America

Alexander also contends that the United States acted against its own interests when it supported the Nationalists and that the United States accused the Chinese Communists of aggressive policies in East Asia when, in fact, they did not pursue aggressive policies.

Policy Calculated to Benefit The United States and the China Arms Embargo, 1919

By 1929, the US recognized Sun's successor, Chiang K'ai-shek, as the legitimate ruler of China and ended the embargo. When Sun Yat-sen failed to secure arms from the West, he turned to the Russians for assistance.

Amazon.co.jp: A Policy Calculated to Benefit China: The United States and the China Arms Embargo, 1919

Valone takes the first in-depth look at the China arms embargo 1919-1929 and places it into the larger context of United States foreign policy. The scope includes diplomatic, economic, security, and cultural relations, as well as Asian-American history. From 1885 to 1894 he was the Chinese resident in Korea, then under Chinese suzerainty.

Policy Calculated to Benefit The United States and the China Arms Embargo, 1919

By 1929, the US recognized Sun's successor, Chiang K'ai-shek, as the legitimate ruler of China and ended the embargo. So Valone's analysis may provide clues about the future as well. By 1929, the US recognized Sun's successor, Chiang K'ai-shek, as the legitimate ruler of China and ended the embargo.
