### A Memling for Bruges: A 15th

The Cellier Diptych has the Virgin and Child in an enclosed garden with the same two Saints Catherine and Barbara on the left-hand panel. Jesus puts a ring around the finger of Saint Catherine of Sienna.

### Memling in Burgundian Bruges

Both altarpieces were made for clergymen at St. She agreed to marry Eree, son of the pagan King of England, on the condition that he convert to Christianity. It was one of Memling's largest commissions and most impressive works.

### Memling Museum Bruges

All of these factors played a part in my decision that the painting would go back to Bruges where it belongs. Please contact us for details on condition of available copies of the book.

### Memling Museum Bruges

It was originally part of a triptych, with de Rojas facing the Virgin, and a Crucifixion in the centre panel. An 800 year old medieval hospital with beautiful art work and artifacts.

She has been creatively engaged with Memling for decades now. For example, the Annunciation was innovative because it was a 'living' grisaille.

### Camping Memling Bruges Belgium

First of all, it shows the high quality and sense of detail, typical of Memling's portraits. New York: Metropolitan Museum, 1998a.

**9789074377218**

This very acceptable identification shows that Memling painted portraits of Italians who visited Bruges.
