Ambivalence in Political Decision Making

Attempting to repeat something that didn't work in the past, or assuming that particular groups will work together, when actually they've been at odds for years, can undermine a community development effort before it starts. All the while, electrodes attached to their heads measured the moisture in their skin. History, emotions, various interest groups and also apparently foreign policy schools of thought played their part in it.

Polling & Public Opinion: The good, the bad, and the ugly

It should be truly representative of all stakeholders, and that may mean you or members of the group have to recruit or persuade others to join. Its conceptual and methodological self-consciousness is especially noteworthy. Politics can be defined as a or of governing or government, especially governing a political entity like a nation.

What Is Public Policy and Why Is It Important?

If you doubt that, just take a poll. Generations of immigrants, particularly Italians and Eastern European Jews, had become Americans there, while retaining their cultural and family ties. Her ambivalent subjects were significantly than those in a control group.

Baumann Z 1991 Modernity and ambivalence. The ambivalents are trapped in a culture that prizes univalents.

Russia and Austria: Interests Instead of Friendship

Summary Behavioral research largely treats attitudinal ambivalence as a component of attitude strength. Community participation puts eyes and ears in the community to pick up changes that policymakers may not be aware of, and to keep programs and initiatives from becoming outmoded or stale.

Policy analysis

Uncertainty is interpreted as weakness, even though certainty takes us blundering into wars and financial crashes. Because they haven't had experience in functioning in meetings, planning, and other similar activities, they feel awkward, and find it easier to let others make the decisions.

Ambivalence in Political Decision Making

In: Schummer J, Baird D eds Nanotechnology challenges: implications for philosophy, ethics and society. Social welfare policy, programs, and practice. All errors remain, of course, our own.

Ambivalence and Altruism: Public Opinion about Taxation and Welfare, Policy & Politics

While reproductive rights issues have become extremely partisan, other gender issues such as women's labor force participation and entry into politics have not.
