New Jersey Legislature

She returned to work for her First Nation and accepted the post-secondary program officer position in 2019. Pitsiulak has worked at Nunavut Arctic College since 1990 in the capacity of instructor, chair, and dean over the years.

Commission on the Future of Higher Education

James hopes that through the Task Force he is able to improve the post-secondary experience for those who are planning to study at northern institutions; studying in one himself, he hopes to provide useful input in task force discussions.

New Jersey Legislature

This report reflects data on student success from the 2018-19 academic year. The United States has one of the most unequal school funding systems of any country in the industrialized world.

Group Report, Higher Education Funding Task by NM Strawman Working Group

Patterson Research Institute at the United Negro College Fund. Moreover, allowing for-profit entities to operate schools creates an inherent conflict of interest.
