### Laos

Robbed of its more splendid temples in battles with Siam long ago, Vientiane is more a place for adjusting to the pace of Lao life, and indulging in herbal saunas and sunset drinks on the banks of the Mekong, than one for breakneck tours of monuments and museums. Among other scenic wonders, this NBCA features a 7km-long natural river-tunnel through the heart of a mountain, and is becoming popular for organized tours out of Vientiane. .

### Laos Travel Guide

Report crimes to police in the place where the incident took place. We strongly recommend to cover medical evacuation.

### Laos Travel Guide

Embassy prohibits official Americans in Laos from using motorcycles, motorbikes, and scooters due to a high incidence of accidents and lack of available medical care.

### Laos International Travel Information

To the south, the tail of Laos is squeezed between the formidable Annamite Mountains to the east and the Mekong River as it barrels towards Cambodia. Check with the to ensure the medication is legal in Laos. Though increasingly touristy, the dusty side streets, Mekong views and quiet mornings still lend the city plenty of charm.
