### Sura 'Abasa

So far as I can tell, there is a large gap between popular perceptions, in the Muslim world, and the actual complexity of Islamic scholarship. Is it not counted as a sign of Allah? A third kind of the created objects consists of those who are sometimes perfect and sometimes imperfect.

### Benefits and Virtues of Surah 76 Al

Although, it must be admitted, that efforts are no substitute for abilities.

### Benefits and Virtues of Surah 76 Al

As for the light of intellect, it does not appear in him except after a certain period of his age.

### Early Qur'anic Exegesis: From Textual Interpretation to Linguistic Analysis

If, however, these conditions were neither means for bliss nor for misery then they were something useless which carried no value.
