## Tennessee

By the 1890s, the prison population was over 20,000. During , illicit production of became extremely common in East Tennessee, particularly in the mountains, and continued for many decades afterward. This was the start of her return to public life.

## What Twenty

In 1882, incandescent were introduced to London streets, although it took many years before they were installed everywhere. At the outset of the second volume of The Road to Disunion, he points to the underlying tension between slavery and democracy in antebellum America, referring to the Old South's colliding democratic and despotic governing systems. Some well-known experts were hired as lecturers and researchers.

## Tennessee

Tennessee is a state, as are most of its Southern neighbors.

## What Twenty

Serialisation in periodicals, especially literary magazines though not newspapers, became popular. About half the state's land area is in the drainage basin of the Tennessee River. The population rose from 13.
