World War II 1941

This page is best viewed in an up-to-date web browser with style sheets CSS enabled. January 11, 1942 - Japanese invade Dutch East Indies and Dutch Borneo.

The Pacific War: 1941

May 5, 1942 - Japanese prepare to invade Midway and the Aleutian Islands.

The Medal for the War of 1941

October 13, 1942 - The first U. I laughed out loud nearly every chapter, which is kind of rare in a history book.

The United States At War 1941

While Marks' story was invaluable history, as a book it would have been more effective at half the length. Forces 1943 January 2, 1943 - Allies take Buna in New Guinea. Мама просила взять в Севастополь.

Evgeny Stepanovich Kobytev: A soldier's face after four years of war, 1941

Romania invades south-western border areas of the Soviet Union in Europe on the side of Germany. Indeed, he is relentless in pursuing and taking responsibility for his mistakes.

The History Place

I'm posting it in Russian, because, as far as I know, this book exists in Russian only. Many perish in the cold.
