France

Significant as these achievements are, we must not be complacent.

France

No failure of the Administration has been so catastrophic as its failure of leadership. Charlemagne's son, Emperor 814—840 , kept the empire united; however, this Carolingian Empire would not survive his death. Until World War II, were a strong political force in France, embodied by the which was the most important party of the Third Republic.

France

This led Prime Minister to procure the , giving her power to notify the intention to leave the EU.

UN News

We categorically reject the notion of a guaranteed annual income, no matter how it may be disguised, which would destroy the fiber of our economy and doom the poor to perpetual dependence.

Republican Party Platform of 1980

The durability of our system lies in its flexibility and its accommodation to diversity and changing circumstance. French education is centralized and divided into three stages: Primary, secondary, and higher education. Women understand domestic, consumer, and economic issues more deeply because they usually manage the households and have the responsibility for them.

ABC Radio Australia

In 2004, the Institut Montaigne estimated that within Metropolitan France, 51 million people were White 85% of the population , 6 million were Northwest African 10% , 2 million were Black 3.

Texarkana Gazette

France is a with its capital in , the country's largest city and main cultural and commercial centre.
