Democracy More or Less: America's Political Reform Quandary by Bruce E. Cain, Paperback

I hope this book informs media, academic and public discussions of a way out of our political morass.

America's political dilemma : from limited to unlimited democracy (Book, 1985) [quizapp.evertonfc.com]

Survey Report At a time of growing stress on democracy around the world, Americans generally agree on democratic ideals and values that are important for the United States. And there is bipartisan sentiment that the military leadership in the U. A majority of Republicans 63% say the way congressional voting districts are determined is fair and reasonable compared with just 39% of Democrats; among Democrats who are highly politically engaged, just 29% say the process is fair.

Front Matter on JSTOR

Cain offers a reform agenda that attempts to reconcile pluralist ideals with the realities of collective-action problems and resource disparities.

Front Matter on JSTOR

He received the Zale Award for Outstanding Achievement in Policy Research and Public Service and was elected to the American Academy of Arts and Sciences. A majority says Trump lacks respect for democratic institutions. Despite these criticisms, most Americans say democracy is working well in the United States — though relatively few say it is working very well.

The Public, the Political System and American Democracy

Republicans are about twice as likely as Democrats to say the U. In addition, a 56% majority say they have little or no confidence in the political wisdom of the American people.
