The Last Grain Race by Eric Newby

He assists the reader in learning these for the most part, but quickly gives up repeating the command - and with my limited capacity and inclination, to be fair to learn these Finnish words too, it does eliminate some of the understanding of the narrative as the story progresses.

Grain race

Or blue cloth in jacket. He wore that paperback out. The reader enjoys his enthusiasm, his frustrations and his fears.

Grain race

There is little sympathy for him. Bending a complete set of fair-weather canvas was no easy job, and sail changing was always done four times on a voyage as a ship entered and left the. Cover illustration by Brian Keogh.
