quizapp.evertonfc.com: The Abortion Rights Controversy in America: A Legal Reader eBook : Hull, N. E. H., Hoffer, Williamjames, Hoffer, Peter Charles: Kindle Store

Connecticut was the first state to make abortion a crime, in 1821, and New York followed in 1828. Excerpts are provided by Dial-A-Book Inc.

Abortion: the continuing controversy

No obvious damage to the cover, with the dust jacket if applicable included for hard covers. In the nineteenth century, two new and powerful currents of thinking about domestic life and women's roles in society came to compete with each other, and abortion law became one focal point of the struggle. Intelligence is a primary ingredient in the wealth of nations.

The abortion rights controversy in America : a legal reader : Hull, N. E. H., 1949

Beginning with the introduction of abortion law in the nineteenth century, this reader includes important documents from nearly two hundred years of debate over abortion. In the following years, the example of Massachusetts and New York the two states were regarded as leaders in many areas of law influenced other states to add statutes against abortion to their codes or to revise their earlier laws. Peter Charles Hoffer is distinguished research professor of history at the University of Georgia.

New York added a second novelty to its laws: women who sought an abortion or attempted to perform one on themselves were subject to a fine of up to one thousand dollars.

Roe v. Wade: The Abortion Rights Controversy in American History

At first the aim of governments was to protect pregnant women, and the first laws they passed regarded women as the victim of a crime. They should be able to decide whether to marry, whether to have children, and whether to continue a pregnancy.

The Abortion Rights Controversy in America: A Legal Reader

Chapters cover the birth control movement, changes in abortion law in the 1960s, Roe v.

The Abortion Rights Controversy in America

. The government made it illegal to sell, prescribe, buy, publish information about, and send through the mails birth control information. It brings together the writings of doctors, lawyers, scientists, philosophers, elected officials, judges, and scholars as few other legal readers do, and it is essential reading for those engaged in the ongoing debate about abortion law in the United States.
