## SOCIAL SECURITY ADVISORY BOARD STATEMENT

In the first place, the definition of the measurement limit for a particular substance is an uncertain business in itself, with serious debate currently underway as to the lower limit of measurement capability. Social entrepreneurs are recognized for their efforts.

## Chapter 4

It is particularly helpful in areas where the diagnostic information a doctor examines is already digitized. However, no such effect will occur if that mortality arises only from lung cancer rather than mesothelioma. Such prohibition is a powerful incentive to a firm to find a substitute that can indeed be proved safe and in our view is more effective than a blanket requirement that all firms using asbestos should search for asbestos substitutes.
