Today's Writing Tip: Object Poems

It stood high, strong and everlasting. The weight I carry, was all for you. How does it contribute to the development of the poem's subject or theme? Scribble my protest, to the heavens.

“My Queen” by Alfred Drury, R.A., 1856

We are making something, we both need.

Motor Lodge

Such odes often resemble a meditative argument. Sonnets may be structured as an octave and a sestet or as three stanzas of four lines, followed by a couplet. How could the line breaks or meter be improved? Where does the poem take place? Does the poet use , , , etc? In 2018, I hit bottom.

Checklist for Critiquing a Poem

Toward the bright, burst of gold.

Drury: A Poem : Anonymous: Amazon.sg: Books

Now... You are whom I was with. Yes, only fate can answer this. A line is said to have a masculine ending when the line ends with a stressed syllable either a one syllable word, or a word of multiple syllables with emphasis on the last syllable.
