### Fees and levies

Marine levies This levy must be paid by all Australian and foreign vessels that call at Australian ports. Administrative fund The administrative fund is a general-purpose fund which provides for the annual operating costs of the body corporate. The letter informs the financial institution that a charge against levy proceeds is contrary to the provisions of the Internal Revenue Code and failure to remit an amount equal to the service charge may result in the Service filing a suit for failure to honor a levy.

### Schedule of fees and levies

Fees to change permissions We charge a fee to change vary a permission, for example, where a firm wants to start arranging mortgages. If the change leads to a reduction in the annual listing fees payable in respect of the remainder of that year, the amount paid in advance in excess calculated from the first day of the month immediately following the month in which the change occurred shall be deducted from the subsequent annual listing fees, if any. If you have any queries please contact the College Business Manager, Halyer Rayner on 9321 9200.
