Globalizing decency: responsible engagement in an era of economic integration.

For example, as with South Africa, many Western nations now actively endorse and promote so-called voluntary codes of business conduct pledging companies with operations in repressive countries to meet human rights standards.

Edwin H. Armstrong papers, 1886

The RBML approves permission to publish that which it physically owns; the responsibility to secure copyright permission rests with the patron. First, on the moral side, in assessing whether the costs of economic integration outweigh benefits, responsible engagement is infused with a human rights ethos.

Accordingly, assuring sufficient room on the bridge obliges concrete policy steps taken to side-step and mitigate circumstances where economic and human rights objectives conflict. Be not ashamed of what is homely and your own.
